Thank you to everyone who auditioned! We had to make some very tough decisions due to the overwhelming amount of talent! The local actors and community continue to be the backbone of Fort Peck Summer Theatre, and I am thrilled to be featuring so many local actors in roles this summer.

Some actors who auditioned did not get cast specifically because of the conflicts they listed on their audition sheet. Please do not add any more conflicts, as it is really not fair to those people and your fellow cast members.
