

Fort Peck Summer Theatre's 28th Performing Arts Camp: WHERE DRAMA MEETS SUMMER FUN!

Calling all future Broadway stars (and the occasional dramatic sibling)! If you're a student entering grades 3-12 with a flair for the fabulous or just looking to have a blast, **FPST Camp** is your stage! Under the mentorship of real-life professional theatre gurus (yes, the kind who can sing, dance, and make jazz hands at the same time), campers will dive into the world of song, dance, choreography, and theatre basics. By the end of camp, you'll know your *spotlight* from your *stage left*.

What's in it for you?

- Learn to sing like a bird (or at least a super enthusiastic parrot).
- Dance your heart out without anyone judging your TikTok moves.
- Strut your stuff on the iconic Fort Peck Theatre stage during the grand finale showcase—cue the applause!
- Make friends from across the nation and gain enough confidence to demand *only* green M&Ms in your dressing room.

Whether you're a seasoned diva or just love to belt out show tunes in the shower, FPST Camp promises 8 days full of fun, creativity, and memories you'll want to perform over and over. Don't miss your shot to shine like the star you are!

Register now, and let's make this summer your encore-worthy debut!
